# Rabuni DSR Capsules

Rabeprazole 20mg Enteric Coated + Domperidone  
30mg Sustained Release Pellet

## ADVANCED RELIEF FOR GASTROINTESTINAL ISSUES

“Rabuni DSR is specially formulated to provide effective relief from Gastroesophageal Reflux Disease (GERD) and other gastrointestinal disorders. Combining the power of Rabeprazole and Domperidone, Rabuni DSR offers both immediate and sustained relief.”

### How It Works

- **Rabeprazole 20mg:** Reduces stomach acid production, providing relief from heartburn and allowing healing of the esophagus.
- **Domperidone 30mg:** Enhances gastrointestinal motility, reducing symptoms like nausea, bloating, and discomfort.

### Benefits:

- Provides sustained relief from GERD symptoms
- Reduces acid reflux and heartburn
- Improves gastrointestinal motility
- Easy-to-swallow capsules for daily use

### Usage Instructions:

- Take one capsule daily before a meal, or as directed by your healthcare provider.
- Do not exceed the recommended dosage.

ACID REFLUX

Rapid Relief from Pain  
Starts Here!

## UNIKET DT TABLETS

10x10 Tablets  
Rx Ketorolac Tromethamine Tablets I.P. 10mg

**Uniket-DT**  
Tablets

Uniket DT is a fast-acting, Ketorolac Tromethamine dispersible tablet designed to provide immediate relief from moderate to severe pain. Whether it's post-surgical pain, dental discomfort, or musculoskeletal pain, Uniket DT delivers effective, non-opioid pain management.

### INDICATIONS

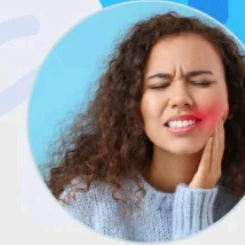

#### EFFECTIVE PAIN RELIEF

Ketorolac Tromethamine is a potent nonsteroidal anti-inflammatory drug (NSAID) known for its strong analgesic (pain-relieving) properties.

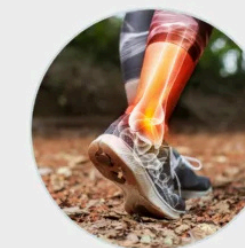

#### POST-SURGICAL PAIN MANAGEMENT

Frequently used in the postoperative setting to control pain, allowing patients to recover more comfortably and potentially reducing the need for opioid pain medications.

#### DENTAL PAIN RELIEF

Often prescribed for managing pain following dental procedures such as tooth extractions and surgeries.

#### MUSCULOSKELETAL PAIN RELIEF

Effective in treating pain from musculoskeletal injuries, including sprains, strains, and other soft tissue injuries.

## WHY CHOOSE UNIKET DT?

- Fast-acting pain relief
- Long-lasting effectiveness
- Easy to take dissolvable tablets
- Convenient dispersible tablet for fast absorption
